BUILDING HIS KINGDOM NOW

THE VISION INTENSIFIES

FGBMFI EUROPEAN CONFERENCE

Helsinki, Finland

Venue: The Hotel Maria, Mariankatu 23, Helsinki, Finland

WARMLY WELCOME

A VAST GLOBAL MOVEMENT OF LAYMEN COMPRISING MEN AND WOMEN BEING USED MIGHTILY BY GOD TO BRING THIS LAST GREAT HARVEST THROUGH THE OUTPOURING OF GOD'S HOLY SPIRIT BEFORE THE RETURN OF OUR LORD JESUS CHRIST

A NEW SEASON!

I welcome you all to this beautiful city of Helsinki for the 2025 European Convention.

There is a new wind blowing in the FGBMFI organization, and I believe every participant at this convention will experience God's touch in a special way.

The Vision that God has given us continues to inspire us to use our testimonies to present Jesus as the only hope to a dark dying world.

At this convention we will learn of ways to reach the lost using media technology.

Let us in repentance and humility seek God's face for direction, even as we pray for the Lord of the harvest to send more workers into his harvest field.

The Lord is reminding us once again to forget about the former things because he is doing a new thing in our

lives as a Fellowship. This is indeed a New Season!

Let us trust God, believing that it is his will to grow and strengthen this Fellowship, his instrument to awaken laymen - the sleeping giant of evangelism.

The time surely is now for a great Revival in Europe that will lead to that last great harvest before Jesus returns. Let us go and do for we are well able.

Christ in us is the hope of glory.

WELCOME

We have a VISION:

A grassroots Jesus movement that makes disciples and multiplies churches in Finland, Europe and the whole world.

Dear Brothers and Friends in Christ. With warm hearts and deep joy, we welcome you to Finland.

It is a true honor for us in FGBMFI Finland to serve as hosts for the European Convention here in Helsinki. We rejoice in the fellowship the Lord has prepared for us, and we are grateful for the privilege of gathering in Jesus' Name. This year's program reflects three essential pillars of our full gospel ministry in Finland: vision, prayer, and the wise use of media in evangelization. Our sincere prayer is that what the Lord has cultivated among us will serve and inspire work in your own peoples as well.

As Psalm 127:1 reminds us: "Unless the Lord builds the house, those who build it labor in vain. Unless the Lord watches over the city, the watchman stays awake in vain." Indeed, prayer and diligent labor have formed the foundation of our laymen's ministry in Finland — yet always under the gracious hand and guidance of our Lord.

May your time here be richly blessed, fruitful, and filled with joy. May you be strengthened in vision, renewed in spirit, and inspired for the task ahead.

As Jesus Himself has promised: "For I know the plans I have for you," declares the Lord, "plans to

prosper you and not to harm you, plans to give you a future and a hope." We pray that your journey will be safe and your stay in Helsinki will be blessed and filled with the presence of the Holy Spirit.

In Christ's love and service,
Martti Issakainen
President, FGBMFI Finland

WAITING FOR A NEW WAVE OF REVIVAL

Jesus said in Matthew 24:7-8 that “nation will rise against nation, and kingdom against kingdom, and famine and earthquakes will come in many places. Catastrophes will increase, become more severe as time moves closer to the end”.

Today we live in a divided world where the great powers are forming their own spheres of influence and are each trying to build a new world order based on their own interests. They do this through power politics and local wars, achieving their goals which only last a short time. We also are building a new world order - the Kingdom of God which will last forever. We do not build it with weapons and violence, but by the power of the Holy Spirit, by winning people to Jesus, one by one. This kingdom will grow and finally it will crush other kingdoms as Daniel's prophecy (Daniel 2:44) shows. What a privilege, honor and joy it is for FGBMFI members to be fellow workers of Jesus.

This Conference in Helsinki is an opportunity for us to network, build and encourage each other. We shall remember that Demos wanted to take the fellowship back to its spiritual roots and to the original vision. The focus of the work is on men's everyday meetings, small gatherings where men can share their testimonies and the gospel with others and where the power of God can be manifested through miracles and signs.

Demos spoke also about a new wave of revival. He said that we will have the opportunity to participate in this final hour of end time spiritual history. If we desire to experience this new dimension, this new anointing from God, then we have got to be ready. We shall pray and fast, open our hearts and allow the holy spirit to perform spiritual surgery in our hearts. We shall be prepared to serve Him in His power only.
